To whom it may concern,

I am writing this letter of recommendation for Austin Foster who I had the pleasure of managing at the Hollenbeck Group/Matter Communications, initially as an intern, and then as a contract account coordinator.

Austin worked on a mix of accounts from international consumer electronics conglomerates, to local consumer goods companies while at the agency. She regularly received accolades for her performance throughout her tenure.

Austin always brought a tremendous amount of enthusiasm for any task, and consistently showed a willingness to roll up her sleeves and get to work. One of Austin's key attributes is her readiness to dive head-first into a problem and learn while doing. She would be an excellent resource for an organization looking for an action-oriented professional who can bring great ideas to the table, and excels at interacting with customers and clients.

Austin would be an asset for any company looking for somebody to address its outreach to any audience.

If you would like additional information about Austin please do not hesitate to contact me at joshrein99@gmail.com.

Sincerely,
Josh Rein
